

Thank you for downloading this Inside Out
Bingo Game from The February Fox!

1. Print out all of the files, these include a call sheet (for the parent or bingo caller), five custom Bingo cards (plus a blank card to make more variations), and dauber wrappers so that every player can play as their favorite character.
2. Use the bottom of the call sheet to pick a game to play for all players.
3. Pop in the Inside Out Blu-ray or DVD and watch closely as key scenes in the movie will trigger Bingo calls (use the call sheet to look out for upcoming events and call them for all players).
4. The first player who entirely fills in the shape wins the game.

XO, Sarabeth McElhaney
